(i)(1) If, under paragraph (g) of this section, a supplemental certificate is issued in connection with a warehouse receipt, such certificate must state that no lien for processing will be asserted by the warehouse operator against CCC or any subsequent holder of such receipt.

(2) Warehouse receipts and the commodities represented by such receipts that are stored in an approved warehouse that is operating under a CCC storage agreement may be subject to a lien for warehouse charges as specified in the applicable storage agreement. For all commodities except peanuts, the producer who pledged such a receipt as collateral for a loan under this part shall pay to CCC all costs incurred by CCC as result of the existence of the lien. In no event shall a warehouse operator be entitled to satisfy such a lien by sale of the commodities when CCC is the holder of such receipt.

(j) Warehouse receipts representing commodities that have been shipped by rail or by barge, must be accompanied by supplemental certificates completed under paragraph (f) of this section.

§ 1421.108 Transfers and reconcentrations.

(a) Upon request by the producer before transfer, the county committee may approve the transfer of a quantity of a commodity that is pledged as collateral for a farm-stored loan to a warehouse-stored loan at any time during the loan period.

(1) Liquidation of the farm-stored loan or part thereof shall be made through the pledge of warehouse receipts for the commodity placed under warehouse-stored loan and the immediate payment by the producer of the amount by which the warehouse-stored loan is less than the farm-stored loan or part thereof and charges plus interest. The loan quantity for the warehouse-stored loan cannot exceed 110 percent of the loan quantity transferred from the farm-stored loan.

(2) Any amounts due the producer shall be disbursed by the FSA county service center.

(b) Upon request by the producer before the transfer, the county committee may approve the transfer of a warehouse-stored loan or part thereof to a farm-stored loan at any time during the marketing assistance loan period. Quantities pledged as collateral for a farm-stored loan shall be based on a measurement or a calculation of average production of wool and mohair, such measurement or calculation to be made by a representative of the county office before approving the farm-stored loan. The producer must immediately repay the amount by which the farm-stored loan is less than the warehouse-stored loan and charges plus interest on the shortage. The maturity date of the farm-stored loan shall be the maturity date applicable to the warehouse-stored loan that was transferred.

(c) Upon the filing of the Reconcentration Agreement and Trust Receipt by the producer and warehouse operator, CCC may, during the marketing assistance loan period, approve the reconcentration in another CCC-approved warehouse for all or part of a commodity that is pledged as collateral for a warehouse-stored loan. Any such approval shall be subject to the terms and conditions in the Reconcentration Agreement and Trust Receipt. A producer may, before the new warehouse receipt is delivered to CCC, pay to CCC:

(1) The principal amount of the marketing assistance loan and charges plus interest and applicable charges; or

(2) If CCC so announces, an amount less than the principal amount of the marketing assistance loan and charges plus interest under the terms and conditions specified by CCC at the time the producer redeems the commodity pledged as collateral for such marketing assistance loan.

§ 1421.109 Personal liability of the producer.

(a) When a producer obtains a commodity marketing assistance loan, the producer agrees, in writing, not to:

(1) Provide an incorrect certification of the quantity or make any fraudulent
